To whom it may concern

Dear Colleagues,

this is to certify that Professor Olha Popadiuk spent the period between May 4 and May 11, 2025, as a research guest of the Department of Mathematics of Uppsala University. Among other things, during this time she gave a talk entitled “Bicyclic extensions of semigroups and their endomorphisms” at the Algebra Seminar.

Sincerely Yours,

Volodymyr Mazorchuk
Professor of Mathematics
